As a property owner, tenant, or person who has requested notice, please be advised that the Hearing Officer will hold a public hearing to approve, conditionally approve, or deny an application for a wireless communication facility consisting of six antennas mounted within a new faux chimney on the house located at 4004 Terrace Court. Associated equipment is proposed to be located behind a garage and enclosed with a new wood fence.

The decision of the Hearing Officer is final unless appealed to the Planning Commission. In order to appeal the decision you must be present at the public hearing and file a speaker slip concerning the application or have expressed interest by writing to the Hearing Officer before the close of the public hearing. The appeal application may be obtained at the Development Services Department, Project Management Section, Reception Desk; located at 1222 First Avenue, 3<sup>rd</sup> Floor, San Diego, CA. The appeal must be made within 10 working days of the Hearing Officer's decision.

This project was determined to be categorically exempt from the California Environmental Quality Act on March 23, 2004 and the opportunity to appeal that determination ended April 13, 2004.

The decision made by the Planning Commission is the final decision by the City.
